FREQUENTLY ASKED QUESTIONS – APPLICATIONS

1. WHAT ARE CHARACTER LETTERS?

They are general letters of personal reference from someone who knows you well, like a minister or neighbor. Anyone can write such a letter, except a relative. You will need to provide three letters, each from a different person. The letters should state how you are known to that person (as a neighbor, longtime friend, parishioner), how long they have known you, and something about your character.

NOTE: CHARACTER LETTERS ARE SEPARATE FROM VERIFICATION OF EXPERIENCE

2. CREDIT REPORTS – Who, What, When, and Where?

The credit report must be sent directly from a **credit reporting agency and must include an official Pinellas County Public Records Check**. There are 14 companies that do the reports, and most of them will email the reports directly to this office. You may go online to find these agencies, but be sure they do a local records check. Reports of this nature require a fee.

What are the agencies looking for on the credit reports? They research liens, judgements, and collections mainly aimed at businesses. The Board is not concerned with medical bills or foreclosures on personal property.

Is a certain credit score required for approval? No.

3. HOW MUCH EXPERIENCE DO YOU HAVE?

The PCCLB is looking for the type of work you have done and time frames (span of time engaged in such work). The **Categories of Trade** list on the next page tells you how many years of experience are required for each of the trades.
