

PINELLAS COUNTY CONSTRUCTION LICENSING BOARD

TO: APPLICANTS FOR CONTRACTORS' EXAMINATIONS

REF: CHAPTER 75-489, LAWS OF FLORIDA

Each applicant must complete the attached application forms with supporting documents and file them with the Board. The Committees meet the first Tuesday and Wednesday of each month.

The next committee meeting is _____
Your application should be submitted not later than _____

Examinations are "open-book" and prepared for the PCCLB by an independent testing agency to cover knowledge of basic principles of contracting, construction, business administration and law. Questions are multiple-choice, fill-in, true-false, or short answer with diagrams, plans, schematics, or sketches.

All books and references must be brought by the examinee. Only those reference materials specifically authorized on the reference list will be allowed in the examination room. No class notes, scratch-paper, exam study aids or like materials will be allowed. Silent, battery-powered, non-printing calculators are permitted, and applicants must bring their own pencils (#2), pens and rulers.

If an applicant for an original certificate does not provide a complete application with all required supplementary information within one year from the date of filing the application, the fee paid shall be credited to the PCCLB as an earned fee. A new application for a certificate shall be accompanied by another application fee.

All applicants MUST take the business and law examination in addition to the trade examination. These examinations will be graded separately.

A passing grade is 70%. You MUST obtain a grade of at least 70% on the trade portion and 70% on the Business and Law Portion to be issued a license. You will be notified of your grade within 30 days. Do not call the PCCLB office before 30 days for your examination results.

All experience requirements must be verified on attachment B. The form may be reproduced as needed and all verification must be notarized.

Application fee\$250.00

ALL FEES ARE NONREFUNDABLE
